

Basin Development Plan Programme, MRCS
Mini workshop
on the social and economic assessment approach and methodology
for the Council Study

24 September 2015, OSV, Vientiane, Lao PDR

Objectives:

- *To present the results to date of the mission on scoping assessment of social and economic assessment, methodology, approach, guidance and data acquisition plan*
- *To discuss, exchange and share views on how to further improve the assessment approach and methodology.*
- *To ensure the scoping assessment takes into account ongoing and planned activities of the other thematic teams under the Council study and to provide guidance as needed*
